

*Please take a few minutes and fill out the following questionnaire so we may better understand your concerns:*

1. Where do you live (town)?
2. How often do you drive through the PA 58 study area?  
Daily                      More than once a day                      Weekly                      Monthly                      Never

3. How did you hear about this public meeting?

4. Please rate each of the following area of the PA 58 Corridor below:  
(0 = Functions Poorly to 5 = Functions Very Well):

- |                                |                                   |
|--------------------------------|-----------------------------------|
| _____ Safety                   | _____ Pedestrian & Bicycle Access |
| _____ Traffic Flow/Congestion  | _____ Speeding                    |
| _____ Roadway Lane Width       | _____ Roadway Shoulder Width      |
| _____ Vehicle Access/Driveways | _____ Sight Distance              |
| _____ Passing Zones            | _____ Roadway Signing             |
| _____ Drainage                 | _____ Parking and Facilities      |

Please provide comments to help us understand any areas you rated poorly:

5. What type of transportation improvements are most needed along the corridor?
6. Are you aware of any planned development within the corridor or changes to the existing land use?
7. Please list any additional comments here:
