Title: Kelly Rd Brs T-388 (Dual)

Improvement Type: Bridge Replacement

State Route: 0

Municipality: Hermitage (CITY)

Air Quality Status: Exempt from Regional Conformity Analysis

Estimated Construction Bid Date: 6/18/20

Air Quality Exempt Reason: S19 - Widen narw. pave. or recon brdgs (No addtl lanes)

Actual Construction Bid Date:

Location: Kelly Road (Township Road 388) Bridges over the Shenango River in the City of Hermitage

Project Description: This project includes the replacement of the Kelly Road (Township Road 388) Bridges over the Shenango River in the City of Hermitage. Work involves two separate single lane structures. These local bridges are 343 feet in length and are owned by Mercer County.

The proposed Kelly Road Bridge (T-388) project is located in the Borough of Sharpsville and the City of Hermitage in Mercer County. The project consists of replacing two existing adjacent bridges with one structure. The first structure is a Parker Thru Truss bridge that is closed to all traffic, including pedestrian. The second structure is a two-span steel beam bridge. In order to construct the new structure, the proposed action involves: constructing a causeway downstream of the existing bridges; installing temporary towers under the existing single-span truss bridge; cutting and removing end sections of the truss bridge (for preservation); demolishing the remainder of the truss bridge; removing the downstream causeway; constructing and maintaining a temporary bridge; constructing a causeway upstream of the existing bridges; demolishing the existing two-span steel beam bridge; demolishing the existing abutments and pier; constructing new abutments and a pier (in a similar location); constructing one new 2-span bridge in the same location and configuration as the two-span bridge; removing the upstream causeway; and removing the temporary bridge.

Title: PA 173 and Yankee School Rd Intersection

Improvement Type: Resurface

State Route: 173

Municipality: Sandy Lake (TWP)

Air Quality Status: Exempt from Regional Conformity Analysis

Estimated Construction Bid Date: 2/11/21

Air Quality Exempt Reason: S10 - Pavement resurfacing and/or rehabilitation

Actual Construction Bid Date:

Location: State Route 173 (Sandy Lake Grove City Road) from Vath Road to past State Route 1004 (Yankee School Road) in Worth and Sandy Lake Townships

Project Description: This project includes 2.82 miles of resurfacing/restoration (betterment) on State Route 173 (Sandy Lake Grove City Road) from Vath Road to past State Route 1004 (Yankee School Road) in Worth and Sandy Lake Townships, Mercer County.

This project will start on SR 0173 at the intersection of 0173 and SR 965 in Worth Township, to the north and end at the intersection of SR 0173 and SR 0062 in Sandy Lake Township. Work will include mill and overlay of the existing roadway, drainage update, guide rail updates and intersection sight distance improvements.
