The Coordinating Committee of the Mercer County MPO will hold a virtual meeting on Tuesday, May 11, 2021 at 10:30 A.M. in the offices of the MCRPC at 2491 Highland Road, Hermitage PA 16148. The meeting will be conducted using the GoToMeeting platform, with online and phone-based options available to members and the public. Those able to attend can do so via the following methods: (1.) join from a computer, tablet or smartphone at <https://global.gotomeeting.com/join/913075533>, (all visual aids will show up on your screen), or (2.) join in using a phone by dialing **+1 (408) 650-3123**, and entering in the access code **913-075-533** (note that long distance rates may apply, depending upon your phone plan).

The meeting link and other meeting information will also be posted under the “Mercer County MPO and Public Information” page of MCRPC’s website (within the “transportation” sub-section) at <https://mcrpc.com/transportation/mercercounty-mpo/>.

Among other agenda items, there will be a particular focus on future revenue sources. While there are many unknowns at this time—both at the state and federal levels—we hope this discussion will inform attendees’ understanding of needs and the growing funding gap, and how various proposals might change this outlook.
