

## List of Major Regional Projects from the Previous TIP

The 2015-2018 TIP contained several projects of regional significance. All of these projects were either completed or are currently underway using funding from the 2017-2020 TIP as well as the previous TIP. No projects from the previous TIP have significant delays, beyond how they were initially programmed. These projects include:

Project	Jurisdiction(s)	Project Status
SR 718/760/Dock St./MLK Jr. Blvd. Phase II and Phase III	Cities of Farrell and Sharon	Phase II complete. Phase III currently underway north of this programmed project. To be completed in 2018. Phase III funded through both TIPs; Phase II funding expended.
SR 3008/State Street School and Hospital Zone Project	City of Sharon	Project to be constructed in 2017, as per original schedule. Using funding from both TIPs.
West Middlesex Viaduct (SR 318)	West Middlesex Borough	Project to be constructed in 2018. Funding coming from multiple TIPs, as originally intended.
Mercer SR 19 5 Leg Intersection	Mercer Borough	Project Constructed in 2015.
